

## Encourage Your Employees To Save Automatically

Create a more financially resilient workforce by helping your employees to save automatically with split deposit.

### Here's how:

1. Help them set a savings goal and make a plan to achieve it by taking the America Saves Pledge. You can have your own company-branded Pledge at no cost to you by enrolling in Split to Save.
2. Make it easy to set up automatic savings using split deposit in your HR or Admin office.
3. Share the "Savings Automatically" Flyer or "What's The Easiest Way to Save? Automatically!" blog post or other resources with employees in orientation and throughout the year in your communications to guide them through what to expect and the benefits of saving automatically.
